"I ADVISE EVERY SICK WOMAN

To Try Lydia E. Pinkham's Vegetable Compound."

"I advise every suffering woman to take Lydia E. Pinkham's Vegetable Compound for it has done me so much good. I had female weakness, inflammation, pains in my sides and painful periods. I suffered for six years and tried many remedies without benefit. The doctor said I must have an operation. I read about Lydia E. Pinkham's Vegetable Compound in the newspapers, and since taking it I am cured and have a nice baby four months old. I feel like a new woman, and have recommended your medicine to my friends. I would be glad to have everybody know what your medicine did for me, and if any write to me I will answer all letters."—MRS. MARY CALIGURE, 317 South Main St., Herkimer, N. Y.

Every woman at some period or other in her life may suffer from just such disturbances as Mrs. Caligure, and if there is no interested friend to advise, let this be a reminder that this famous root and herb remedy has been overcoming these ailments of women for more than 40 years. If any complications exist, write Lydia E. Pinkham Medicine Co., Lynn, Mass., for advice. The result of many years' experience is at your service.—Adv.

\$920,930,000 IN REALTY DEALINGS OF THE HALF YEAR

Greater City Scores \$777,405,000, Manhattan Leading With \$326,000,000.

Metropolitan real estate transactions crossed the \$1,000,000,000 mark for the year this week.

This is almost equal to the total volume for all of last year—1,043,488,000. To July the total was \$920,930,000, comparing with \$864,150,000 for the first six months of 1918. As the best records of peace years have rarely crossed \$1,000,000,000, it is evident that current realty operations are breaking all past high records.

In the greater city the half year total was \$777,405,000. It stands against \$474,775,000 during the corresponding period last year. The figures cover capital involved in sales, mortgage loans and building projects for which plans were recorded.

Sales of real estate in the entire metropolitan district have involved \$608,705,000 for \$1,389 parcels. In the first half of last year the total was \$435,835,000 for 7,245 parcels. In the greater city \$524,850,000 was paid for 48,499 parcels, against \$364,375,000 for 26,398 parcels during the first half of 1918.

Borrowers on mortgage obtained \$192,325,000 in comparison with \$95,250,000 during the first half of last year. In the greater city they got \$127,350,000, against \$75,950,000 in the corresponding 1918 period.

Building outlays of \$119,705,000 compare with \$42,400,000 a year ago, the greater city contracting for \$106,105,000 in comparison with \$34,150,000 a year ago.

Total suburban transactions covering the commuting zones of Westchester, Nassau, Suffolk, Queens and the Jerseys reach \$143,535,000 in comparison with \$39,375,000 a year ago. There were \$33,750,000 sales, \$40,175,000 mortgage loans, \$19,600,000 building projects.

Manhattan holds its prestige with \$326,000,000 composed of \$235,100,000 sales of 4,317 parcels, \$45,150,000 mortgage loans, \$45,750,000 building operations. The record for the first half of last year was \$230,900,000, with 3,360 parcels sold for \$186,200,000, mortgage loans of \$33,750,000 and \$11,950,000 for building.

Queens established herself more securely in third place among the boroughs with \$90,525,000, the sales of 10,908 parcels amounting to \$65,400,000, mortgage loans to \$25,000,000 and \$10,125,000 for building. Her total for the first half of 1918 was \$50,000,000, comprising sales of 6,930 parcels at \$39,750,000, \$11,500,000 mortgage loans, \$5,000,000 in building.

Brooklyn crosses \$261,350,000, selling 24,815 parcels at \$169,600,000, with \$52,500,000 in mortgage loans and \$39,250,000 for building. This stands against the 1918 half year record of \$134,700,000, embracing \$101,100,000 paid for 11,250 parcels, \$22,150,000 mortgages, \$11,450,000 for building.

Richmond crosses \$58,000,000 with sales of 1,135 parcels at \$19,750,000, \$4,540,000 in mortgages and \$33,710,000 in building. It compares with the 1918 record of \$19,750,000, comprising \$15,425,000 in the sale of 2,540 parcels, \$3,150,000 in mortgages, \$1,100,000 in building. Much important work in that borough was for Federal accounts not appearing on the public records.

More than half of the big totals for the half year were piled up during the past two months. If similar activity can be maintained throughout the rest of the year all high records should be passed by big margins.

U. S. AID TO BRITISH SEAMEN.

Head of Movement Leaving to Boon Fund Overseas.
William H. Appleton, Chairman of America's Tribute to British Merchant Seamen, sails to-morrow for England in furtherance of the movement. He is organizing a Nation-wide campaign to raise a fund for 30,000 Britishers who were disabled or maimed while helping our food supplies across the seas during the war.
Admiral Sims, Chairman of the Honorary Committee, declares that without the British seamen our army and navy would have been helpless.
